

Transforming the Future for Deaf & Hard of Hearing Students 2019 Scholarship Program Application for First-Time Applicants

About the CHS National Scholarship Program

The Canadian Hearing Society proudly offers scholarships to Deaf and hard of hearing students to help break down barriers to higher education and build brighter futures.

Scholarships of \$3,000 a year for full-time students and \$1,000 a year for part-time students are awarded to top qualified candidates who are pursuing post-secondary education at an accredited institution, inside or outside of Canada. Once secured, students may receive an annual award for up to four years. Awards may cover tuition, residence or educational resources. The exact number of awards will be dependent on the number and ranking of qualified applicants.
