The OIS Interpreter Internship Program has been established to encourage further development of Ontario interpreters, or interpreters wishing to live and work in the province. What ties or commitments do you have to the Province of Ontario?

Upon completion of the program, in what region would be interested in working?

Upon receipt of your application, a committee will determine eligibility for the program. If you are found to be an appropriate candidate, an interview will be offered in Toronto. We will notify applicants of acceptance as soon as possible to allow candidates to make necessary arrangements. If you have any questions about the application or interview procedure, please feel free to contact me.
